- This KM Cattle donor is a full sister to ABS Global leader, KM Broken Bow 002. Proving himself the old-fashioned way, Broken Bow lead ABS in semen sales this past spring breeding season and has rapidly become one of the most popular bulls in the breed. His sons have consistently topped sales where he has been used including the recent \$190,000 Casino Bomber in CA to Vermillion Angus Ranch, the \$50,000 Sitz Broken Bow 11076 to Genex and Hilltop Angus, the \$60,000 valued SydGen Blueprint to Justin Spickler and the increasingly popular Spring Cove Reno 4021 at ST Genetics. Broken Bow is also one of the most popular bulls in Australia due to his foot quality, muscle shape, and feed efficiency.
- 047 has been the most consistent, and high performing full sister to Broken Bow. Six daughters are retained at KM Cattle. Just like her full brother, she and her progeny excel for superior calving ease, with good growth, excellent muscle density, depth, balance, style, and structure and foot quality. Phenotypically, of all the Broken Bow sisters, 047 most resembles her dam. As a yearling she scanned an 8.96%IMF ratio 153, 13.4" RE ratio 124.
- Her Baldrige Bronc son, KM Wrangler 7118, is a featured bull in the 2018 KM Cattle Top Cut Bull Sale and was the top indexing calf in his contemporary group.
- Her 2nd generation pathfinder dam records BW 7@99; WW 7@108; YW 6@103.
- She is due to calve 1/11/18 bred to Baldrige Colonel. Sex of calf should be known by sale day. Due to calving date being during NWSS she will stay home and be a video lot. **Selling full interest, retaining 1/2 interest in her Colonel calf.**
